

Supplemental requirements for visiting students starting in AY 23/24
within the Department of Psychiatry

- Letter of Good Standing
- Resume/CV (including information on any gaps in training)
- Board scores (including all attempts; self-report is fine) [REQUIRED]
- Psychiatry Clerkship Final Grade Report
- Statement of interest <200 words outlining the specific reasons why you want to take the requested elective at our institution)

These will need to be provided in a single .pdf specifically denoted for the Department of Psychiatry, even if these requirements have been provided separately for the checklist submissions
