

STUDENT LOCKERS

First & Second Year Student Lockers

First and second year medical students have individual pre-assigned lockers on a yearly basis.

First year students receive their assigned locker numbers during orientation in August. These lockers are located on the third floor, around the corner from Lecture Room 4.

Second year students move to their assigned lockers located on the fourth floor of Scaife Hall, near Lecture Rooms 5 & 6.

There are a limited number of lockers available for third and fourth year medical students participating in clerkship/electives within the UPMC system in Oakland. Lockers are assigned for a period of four (4) weeks at a time, on a first come, first serve basis. Interested students should contact LaToya Walters (law157@pitt.edu). Ms. Walters will assign the locker and provide the combination.

MEDICAL STUDENT LOUNGE

A secured-access Medical Student Lounge is located on the second floor of Scaife Hall. The lounge includes a kitchen area, TV area, and small recreational area. This lounge is available 24-hours a day and provides an environment for our students to relax, socialize or take a nap. Computers are located in a portion of the lounge and provide students with internet access. Individual student mailboxes and organizational mailboxes are also located in the lounge.

Each medical student receives access to the lounge via a key card. If you lose or have an issue with your key card, please contact LaToya Walters, LAW157@pitt.edu in OSA, S593 Scaife Hall.
