

**University of Pittsburgh School of Medicine**

***Certificate of Recognition for Mentoring***

**Application Form**

Directions: A complete application includes (1) this completed form, and (2) a 500-word reflective essay about your experience mentoring (including how it has influenced your experience as a medical student and your future approach to your medical career). Please submit your application via email to Dr. Michael Rizzi, Director of Student Affairs, no later than four months before you graduate ([rizzim@pitt.edu](mailto:rizzim@pitt.edu)).

Successful applicants will have completed at least 20 hours of documented, unpaid service in eligible mentoring activities, at least 80% of which must be completed internally through a formal School of Medicine office or initiative. Please see detailed instructions about eligibility. Use more than one form if you need more space. **Note:** the same hour of service may not double-count toward both the SOM Certificate in Mentoring and the SOM Certificate in Community Service. Students who apply for both certificates will have their applications cross-referenced.
